Ken:

The Milestone M3FT-16PN080203033 – High Heat Load Thermal Analyses has been completed and met the milestone date of September 1, 2016. However, the report can't be released to anyone who has not signed the Non-Disclosure Agreement (NDA) until it has been approved by the four NDA partners.

The report will be attached as soon as all four NDA partners have approved.

Thank you,
